Employer Details

Dear : Sir/Madam

@ your organisation

Dear: Sir / Madam,

I am writing to apply for the position of Front End Web Developer at organisation. With nearly two years of experience in the field, I am confident I can become a valuable asset to the team.

My experience with front-end web development includes developing and designing web interfaces, designing and coding HTML, CSS, and JavaScript, and using frameworks like Bootstrap and jQuery. I am also knowledgeable in developing cross-browser and device-compatible websites, and am familiar with best practices for web development.

In addition to my technical skills, I am also an excellent problem-solver and have excellent communication skills. My ability to think critically and analytically, as well as my attention to detail, makes me an ideal candidate for this position.

I am excited to join team and am confident I can bring my experience and skills to the table. I am available for an interview at your convenience. Please feel free to contact me at 0680652972 if you have any questions.

Sincerely,
Sakhi
